The hotel provides safes in every bedroom. However we regret we will not be held responsible for any theft, loss or damage to guest property unless it has been handed into reception for safe keeping. Reception gives receipts for all items handed in and we recommend valuables or money are not left out on view in the bedrooms.

We regret we will not be responsible for luggage, wheelchairs, electric scooters or any guest belongings that are left about the hotel as items can be left in our luggage store.

We strongly advise insurance to cover all of the above.
